Dear Ms. Bengler:

Re: Peart v. Ontario (Ministry of Community Safety and Community Services) - HRTO File No. TR-0680-09 - FARMS medical repatriation data marked as Exhibit 8, Tab 141 (amongst the Applicant's documents)

I am an emergency medical doctor and epidemiologist affiliated with the University of Toronto's Dalla Lana School of Public Health.

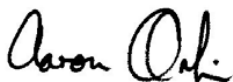

I am writing to request access to a general record (i.e. non-personal information) that was marked as an exhibit at the evidentiary portion of the above-noted hearing, which took place at the Human Rights Tribunal of Ontario between April 17 and 26, 2013. During her testimony, Dr. Kerry Preibisch referred to certain FARMS medical repatriation data, which was marked as Exhibit 8, Tab 141.

I would be grateful if you could provide me with a copy of this Exhibit.

If necessary, I do not object to receipt of this raw data in redacted form so as to protect the identities of any workers who were repatriated to their sending countries for medical reasons.

My \$5.00 application fee, addressed to the Minister of Finance, is enclosed. Thank you for considering my request. Should you require any further information, I can be reached at aaron.orkin@mail.utoronto.ca.

Yours truly,
