

Appendix 1 (as supplied by the authors): Recruitment material

Retin**👁**blastoma Research Priority Setting

Have you, a family member or friend been diagnosed with retinoblastoma? Or are you a health professional or researcher interested in retinoblastoma?

YOU can shape the future of retinoblastoma research!
We want to determine “top 10” retinoblastoma research priorities and we need your help.

What's Involved?

1

Share questions about retinoblastoma that you would like to see answered by research *

➔

2

Rank all the questions collected during Step 1 *

➔

3

Participate in a workshop
December 9, 2017
to determine the final “top 10” retinoblastoma research priorities

*Surveys are available in print upon request.

To complete the survey visit:
